Richfield High School
Richfield, Minnesota

A Tribute to Superintendent Harry E. Rumpel

For twenty years the people of Richfield, Minnesota, have appreciated the numerous accomplishments and services of the Superintendent of Schools, Harry E. Rumpel. Now, as he is about to step down from this post, we wish to dedicate this yearbook to him.

Mr. Rumpel's successful life can, in part, be attributed to his humanitarian spirit. He is a champion of the human approach to all problems, great or small. To him everyone is a human being always deserving the utmost consideration. As a result his office door is constantly open to anyone wishing to pass through.

As an avid follower of all athletics, he has aided Richfield in developing a philosophy of competition which has made us great.

It was this keen athletic interest that helped begin his career, for his first position involved coaching in Wisconsin. From Wisconsin he moved to White Bear, Minnesota, where he taught in his own field of chemistry. In 1930 Mr. Rumpel made another move, this time to Mahtomedi where he held his first superintendency. The year 1944 marks the beginning of his very successful career here in Richfield.

When he first came here, there existed only two schools, East and Woodlake. Due to a growing population, Mr. Rumpel foresaw the need for more schools. Therefore, under his supervision Richfield's school program began growing. The elementary schools of Central, Lincoln Hills, Sheridan, Elliot, and Portland appeared shortly. Richfield built its own high school in 1954, soon followed by a new wing; the two junior highs, East and West; and Central, another elementary school. Today he stands by the construction of the concluding link in this system, the new expansion of Richfield's high school. It is basically through Mr. Rumpel's devoted efforts that the people of Richfield now have one of the finest school systems in the nation.

Now as this strong leader, Superintendent Harry Rumpel, is about to retire after twenty years of faithful service, we, the students of Richfield High School, proudly dedicate the 1964 Aurean to him.

Foreword

Another year is nearly finished, and after finals we'll hear, "Yippee! We're done! See you next September, everybody!" For Seniors, however, next September will be quite different. R.H.S. school days will be in the past, and new challenges will lie ahead.

Before we look forward to new challenges though, let's first review this year, as recorded in our pictorial history, the 1964 AUREAN. It is through this book that we will be able to "relive" our memories of '64 many times throughout our lives.

This year was one of unity and harmony. Our cover design represents this oneness with the Spartan-head, the symbol of school spirit, enclosed in a circle, the symbol of unity. This circle does not have remote or unnecessary corners, and neither does Richfield. Every individual and every aspect of our lives are important. As a community we work together in a common effort, with common goals.

We have strived for scholastic, athletic, and civic achievement. We have tried to enrich our lives through the pursuit of knowledge and also through extracurricular activities both in our school and in our community. During this year we have expanded our building, our student body, and our horizons. This has truly been a successful year.

Let the encircled Spartan-head, which appears on our cover and on the division pages of the book, re-emphasize for you our spirit of unity. And may your cherished memories of '64 remain with you forever.

To my dearest darling Kitten

Hi doll. Well here goes. You are the sweetest girl in the world and to me you always will be. I will love you as long as I live. Your smile warms me just the thought of you make my life worth living. Every breath I take is for you and you only. If I ever loose you my life would end. This summer is going to be the best summer of my life because I will be spending it with you. When I am away from you I am so alone you just wouldn't believe it. I hope and pray every nite that we will always be together. Please disregard this letter always because it is from me. The letters I have gotten from you I will always keep locked in my heart as long as I live. I will keep you and your love locked in my heart as long as I live. There is not much room left so I'll close for now.

P.S. always love me
P.S. I will always love you.

All my love
forever and always
yours forever

Dandie,
Dis beer a riot in Home Ec. I hope we get some classes together next year. You take good care of Chuck; I know you will. Best of every thing to the sweetest girl in school.
Don't write here!

The junior class officers are demonstrating the worthiness of their class, which is the biggest to go down in R.H.S. history. The bubbling school spirit and unity of the class of '65 will push them directly to success.

JUNIORS

This problem seems to hinge on the door.

Sometimes the boys fall for the girls. Sometimes they need a little push.

Have you heard about the new Super Gillette Blue Blades?

Do you know what he said?

Aandy,

Well, we will both be big Seniors next year. It is hard to believe, isn't it? I haven't seen you for so long and I hope I can see you more often this summer. Have fun this summer and good Luck.

CORONATION

The royal court of 1963

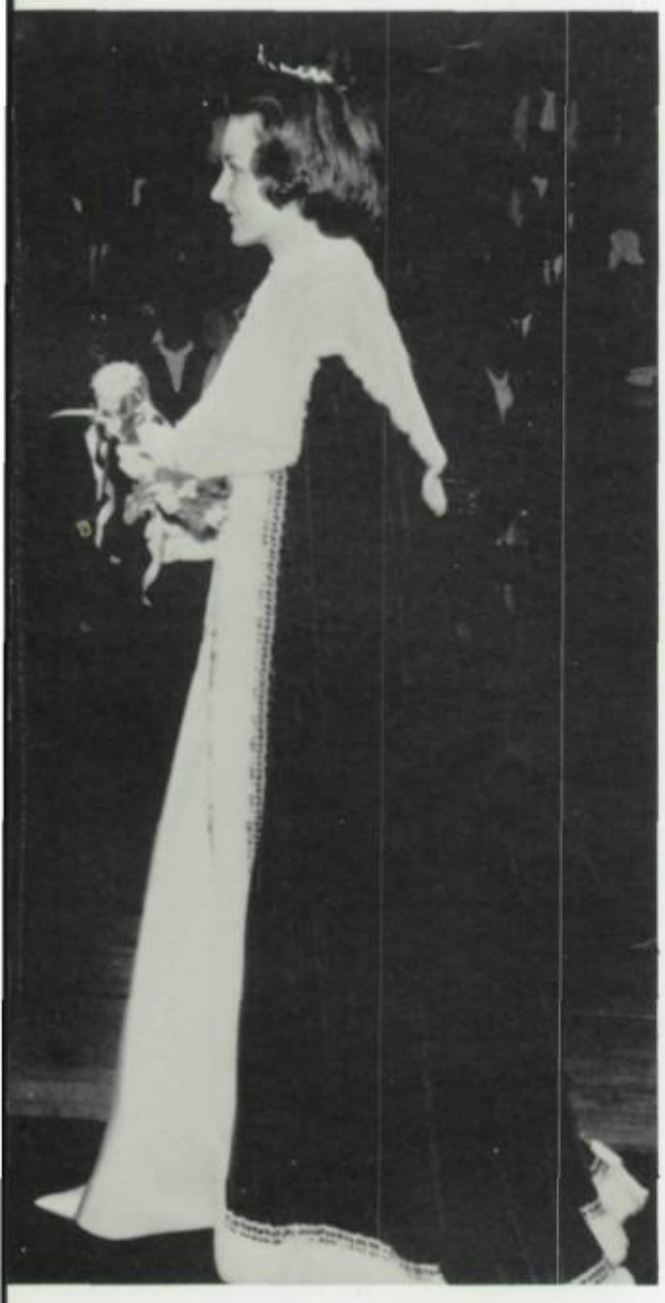
The royal pages smile their approval of the court.

The moment has arrived! Our queen is chosen.

Pat Stevens, 1962 Homecoming queen, crowns Kellie Ann Martinson Homecoming queen for 1963.

. . . watches the program performed for them.

The 1963 Homecoming celebration began ith the crowning of lovely Kellie Ann Martin- on. The coronation was held at 7:30 in the ymnasium. Following the ceremony was the Queen's tea. Alumni, faculty, and seniors were nvited to honor the new queen and her court.



Her majesty takes the traditional Queen's walk.

Queen Kellie reads the royal proclamation.

WRING OUT WASH

Queen Kellie Ann and her escort, Tim Fahlin, give th homecoming crowd their first look at the new Queen trophy.

Don't look now, but I think somebody up there's watching!

The Spartans fulfilled Queen Kellie's proclamation to "Wring Out Wash" by beating the Sioux Falls Washington Warriors by the score of 46-7, maintaining their undefeated record. The pre-game show was provided by the Washington High School marching band and the half-time show by the combined R.H.S. marching bands, Tapaires, and Flag-twirlers.

The Spartan Laundry prepares to "Wring Out Wash."

he excitement and happiness of the Homecoming celebration is reflected in ese faces.

The royal court joins in the fun.

The dance is officially begun as Queen Kellie and her escorts begin the royal procession.

GOLDEN AUTUMN

Everyone joins in a round of applause for the band.

The finale of the 1963 Homecoming week was the dance following the victorious game. The new cafeteria was decorated to the theme, "Golden Autumn." Music was provided by the Tony Grise Band.

After choir practice, Mrs. Webb, Mrs. Soames, and Mrs. Gibbs, as portrayed by members of both casts, stop to go over the latest gossip.

Emily and Mrs. Webb have a mother-to-daughter talk.

Mr. Webb answers questions about the culture i Grover's Corners.

Professor Willard, being introduced by the Stage Manager, gives his lecture on the history of Grover's Corners.

Simon Stimson directs the practice for Sunday's church service.

Dogpatch is proud of its attractive, refined young ladies.

WELCOME TO DOGPATCH!!

Marryin' Sam, swamped with business . . .

SADIE HAWKINS

The neat elite

This year's Sadie Hawkins dance really turned Dogpatch upside-down. The Knights supplied the music for the November 27 affair. This year Marryin' Sam (better known as Mr. Curry) was on hand to add the final touches and help make this Senior sponsored dance a great success.

Do you like it too? It's a Dior original!

Hey, I just learned how to do the bird!

Between dances in the holiday atmosphere, everyone felt the warmth and gaiety of the Christmas festivities.

TINSEL TWIRL

"The Bird" failed to be "The Word" the night of December 21 at the Marion Ballroom. The music, provided by the Sonnie Raye Orchestra, gave a delightfully romantic atmosphere to the fifth annual Y-Teens Tinsel Twirl. Candidates were announced for Tinsel Twirl Sweethearts. Runners-up were: Jay Ann Frenz and Tom Daniels, Gary Benson and Karen Link, Kip Myre and Connie Bauser, Shari Erickson and Harry Nehls. Vicki Caldwell and Jim Yurick were chosen to reign over the event.

Vicki Caldwell and Jim Yurich accept the crowns and title of Tinsel Twirl Sweethearts.

ICE

Congratulations, Dave!

Richfield's annual mid-winter semi-formal, Fire and Ice, was held on January 31. At 11:00, to the joy of Queen Kelly Martinson and the couples attending the dance, Dave Miller was crowned King. Throughout the evening of dancing in our new cafeteria, the Sonnie Raye orchestra provided the enchanting music.

This is really Double Bubble!

You say you just washed your hair and can't do a thing with it?

I know it's past your bedtime, but . . .

They just don't make chorus girls like they used to.

TWIN DANCE

Although it isn't an Academy Award, everyone seems just as excited.

Boy, did we get a wild parish!

Seeing Double? No—it's just the Twin Dance! This lively event was sponsored by the Pep Club and held in the school cafeteria on the evening of February 7. The room was cleverly decorated with two big snowmen (twins, of course) and snowflakes on the walls proclaimed the names of all couples there. An added highlight of the evening was the awarding of a trophy to the best costumes. The chaperones chose the winners, who were Sherrie Slonski and John Mayer. Runners-up were Diane Zeidler and Jim Yurich. The very popular Crestmen provided the music.

And we came on our new 1964 camel

It sure isn't hard to spot your date in this crowd!

ONE-ACT PLAYS

"The fire caught fire, caught fire, caught fire, caught fire."

THE CAST

Mr. Smith ..... Bob Tripanier
Mrs. Smith ..... Mary Elfstrand
Mary, the maid ..... Barb Shipka
Mr. Martin ..... Tony Anthonisen
Mrs. Martin ..... Kitty Cone
The Fire Chief ..... Rick Miller

The Bald Soprano

"The Bald Soprano" is a parody, not only of the theater, but of human utterance and experience. The dullness of everyday routine is carried to its farthest limits. The Smiths and the Martins are bored almost beyond belief; blissfully happy, they live in a perfect society—perhaps the world of tomorrow—where all social problems have been resolved and men and women live in perfect harmony and contentment. Ionesco's farce demonstrates the emptiness of life in a world without problems. The play is literally about nothing; the stupid and banal talk flows naturally from the emptiness of daily life. The characters mouth slogans and cliches of mass conformity, but they can no longer talk because they cannot think or feel. They have no personal identity; you can put Martin in place of Smith and vice versa, and no one will notice. At the climax, the rhythm and intensity of utterance mounts to a paroxysm wherein speech itself breaks down into vocal cables.

The Shoemaker's Wife

CAST

Hans ..... Howard Chatterton
Fritz ..... Mike Maxson
Wife ..... Carol O'Connor

e shoemaker's wife, scolding Hans and Fritz for trying to trick .

Hans plots with Fritz

"The Shoemaker's Wife" is a delightful comedy about a man who wants to test his wife's love. The test is based on the false report of Hans' death. In the end, however, his wife discovers the trick and scolds him for not believing in her.

For his performance, Mike Maxson received the award of "Best Supporting Actor."

The First Mrs. Paris

THE CAST

Court Fool of Olympus ..... Brad Olson
Paris ..... Rick Pangell
Katharina ..... Sharon Glidden
Jupiter ..... Herb Challberg
Mercury ..... Jerry Okerman
Venus ..... Barbara Borst
Juno ..... Diane Holter
Minerva ..... Jewell Charter

This apple shall go to the most fair.

Paris tries to be nice to his wife while she threatens to hit him—again!

The first Mrs. Paris, a satire on Greek mythology is the tale of three vain goddesses and their struggle to obtain a golden apple with the message "for the fairest" inscribed on it. Jupiter, king of the gods, appoints Paris to judge who is the most beautiful. Paris' shrewy wife discovers this and then bedlam begins, a bedlam created by the foolish vanity of the goddesses.

Venus used her charms on the judge Paris.

The court fool, divulging his plan to the audience

Will Venus, Juno, or Minerva be declared most beautiful?

REVIEW '64

ty???

Review '64 was presented on the evenings of February 14 and 15 in the school auditorium. It replaced the Variety Shows of past years. The purpose of this talent show was to let the students display their various talents as well as to give a picture of our school organizations. The Home Arts Department presented a style show, the Language Department featured music and dances from various foreign lands, the Speech Department presented a skit and of course, everyone enjoyed selections from the Swing Band, Orchestra, and Chorus. Due to the fact that Mr. Lokensgard, the director of preceding years, is no longer teaching at R.H.S., Mr. Marcell accepted this position and did an excellent job. Seniors John Mayer and Jay Wilcox proved invaluable as student managers. Although these three individuals didn't receive a share of the spotlight and applause, they worked harder than any cast member to make Review '64 the success that it was.

SYNOPSIS:

George Bernard Shaw presents his insights into the conversion and persecution of Christians in the play *Androcles and the Lion*. The plot comes from an old tale of a man, who on meeting a stricken lion, removes a thorn from its foot. Years later, when Androcles is in the Colosseum, waiting to die for the new religion, the same lion recognizes his old friend and refuses to kill him.

Dear Saudi,
Well, there are sure a lot of memories we both have to remember this past year. All the fun we had together. You're one of my best friends Saudi and I know we will remain friends forever. This summer is going to be one "hell-of-a-blast." Good luck to you in your senior year. Stay as sweet as you are and BE GOOD! Love ya always.

Organizations

STUDENT COUNCIL

The Student Council, one of the most important organizations in our school, is made up of representatives from the social studies classes. They make proposals to members of the administration for approval. This year the council also compiled the student directory, organized parking lot passes, distributed the cheerleading booklets, and provided many other important services. Their jocular advisor is Mr. Kolke.

MODEL U.N.

The Model U. N., which is sponsored by the Rotary Club, is held every year in Winnipeg, Canada. Its purpose is to acquaint high school students with the functions of the actual U. N.

Richfield will be represented at the Model U. N. this year by Bill Overmoe, Sherry Slonski, alt., Paul Laitala, alt., Carol Willis, alt., and John Olson. These students will assume the economic and political views of Czechoslovakia, a U. N. member nation. They will also go through simulated block meetings and group discussions expressing their country's views.

BAND

This year's Senior Band is the smallest of the three bands, and because of this it may be considered a concert ensemble. Mr. Lundahl has said that this is one of the best bands R.H.S. has ever had. This year they have provided music for several athletic events, for Homecoming Coronation, for their spring and winter concerts, and for the farewell for Mr. Rumpel.

Y

Chapter Presidents

One of the most active organizations at R.H.S. is Y-Teens. The club, sponsored by the Y.W.C.A., is initiating its second year of separate chapters led by twelve chapter presidents. The girls are headed by a cabinet and a responsible group of officers who plan the year's activities, some of which are: Tinsel Twirl, Senior Farewell Banquet, a hootenanny, and an Easter Sunrise Service. The Y-Teens are keeping up the tradition and purpose of the club by building a fellowship of girls devoted to realizing those ideals of personal and social living to which we are committed by our faith as Christians.

H'mmm—which came first—the chick or the egg???

Science plays a big part in the studies of most RHS students. Their choice of study could include the fields of biology, chemistry, or physics. The highlight of the biology II course is the dissection of a cat. Physics and chemistry students find a keen knowledge of math is essential.

LANGUAGE ARTS

Besides the required English courses, the language arts department offers such varied elective courses as world literature, creative writing, speech, and debate.

While speech students learn through giving demonstration speeches, the debate class gains practical experience by debating other students throughout the state on Saturdays. Back in the classroom, while world literature students read, discuss, and analyze well known writings, the creative writing classes learn advanced writing techniques as well as how to criticize writings.

How in the world do I get a note to the other side?

To start with it's called North America . . .

In the American history section a new method of teaching, team teaching, was started this year. Two teachers combine their classes and work together. Again in history and social problems, the vast number of movies act as an aid in understanding the subjects.

Many students not only take the required three subjects, but also work world affairs and psychology into their program.

To bring great understanding of world affairs, the Rotary Club sent John Olson and Bill Overmoe to the Model U.N. at Winnipeg, Canada.

The foreign language department at Richfield consists of four languages: French, German, Latin, and Spanish.

Varied and interesting programs are being carried out in all classes. New aids such as the language labs are used by most classes. The French classes also have a piano which helps them with their singing.

This year, as last year, the Spanish students are planning their Mexican trip. The students who go to Mexico study for six weeks in the summer and receive a year's credit for the trip.

Here they are, folks, the Spanish answer to the New Christy Minstrels!

or many careers

The Business Department at RHS offers a wide variety of courses that are aimed to help the college-bound students as well as those headed for careers in the field of business.

Shorthand, typing, and office practice are necessities for any student interested in secretarial work. For those interested in accounting, sales, or other similar business careers, bookkeeping, salesmanship, and consumer business courses are offered.

For students headed for college and not necessarily interested in a business career, notehand and personal typing are offered. These courses teach good study habits and other skills that will be of help to a student going to college.

HOME ECONOMICS: preparation for the future

needs more salt

In home economics future homemakers study foods, home planning, clothing, family relations, equipment buying, applied art, and child care. They are learning with new modern equipment such as, washing machines, refrigerator, and dryer.

This year a new course is being offered. Home Economics Survey is an accelerated course for students who have not previously been able to fit home economics into their schedules. This course takes a brief look at all subjects covered in the other home economics classes.

Maybe with a few changes it will fit.

INDUSTRIAL ARTS: to work with one's hands

The best way to describe the industrial arts department is that it's BIG, NEW, and WELL EQUIPPED. Richfield now has one of the top industrial arts departments in the state. Thousands of dollars have gone into equipping this department. The new equipment includes; a milling machine, three offset presses, and new lab coats.

R.H.S. now has two wood rooms, and two electronics rooms included in the expansion.

Because of this both the teachers and students are very enthusiastic about the great opportunities offered in this department.

CHEERLEADERS

Dianne Zeidler, Nancy Andriotti, Sandy Ahlstrom, Margaret Skoglund, Captain Merry Skoglund and Connie Bauser.

Last year two varsity squads were organized, one to cheer at football and basketball games, the other to encourage the hockey and wrestling teams. This year the same policy was followed with great success under faculty advisor Mrs. Haugen.

The Hockey and Wrestling cheerleaders, Marian Rasmussen, Gail Christenson, Penny Makousky.

"B" SQUAD

Sophomores: Coreen Pacholke, Nancy Brawley, Jan Jacobsen, Lois Kell, Sue Olson.

Each year, five sophomore girls are selected for their ability to stimulate the pep and enthusiasm at "B" squad basketball games. The idea behind this program is to give prospective varsity cheerleaders the experience needed for positions on the various cheering squads. In the past the system has worked well with most "B" squaders moving on. With the advancement of this group of charmers, the varsity level should be highly presentable in their remaining two years.

The tension and excitement of the contest is difficult to ignore.

FOOTBALL 1963

Coaches Collison and Ward give directions to the offensive team during a crucial moment.

1963 was a highly successful year for football at Richfield. The Spartans won their second Lake Conference championship, and remained undefeated for the first time in school history. Richfield was the first Minnesota team ever to defeat nationally ranked Sioux Falls, Washington. This fact, along with the Spartan's sparkling conference record, was a decisive factor in the naming of Richfield as State Champion. In recognition of their fine performance, Richfield was awarded three trophies along with praise and commendation for both players and coaches. In the few years of the school's history, Richfield has built a football team which is now hailed as the best in the state.

RICHFIELD 27 MOUND 0

The Spartans opened the 1963 season with a substantial win over Mound. Pre-season speculation established Richfield as a potential dark horse team and by registering this victory this prediction was reaffirmed.

Following a 56 yard drive, Richfield scored midway through the first quarter with Mike Sadek romping in for the touchdown. In the second quarter, a 24 yard pass from Sadek to Tom Langseth was set up, with Len Doerfler slamming across and then through for the conversion. Pat Elliot and Kip Myre scored two more touchdowns in the third quarter, clinching the win for the Spartans.

Outplaying the Mohawks from the very beginning, the Spartans exhibited surprising poise and confidence.

RICHFIELD 68 WAYZATA 0

Wayzata, the perennial contender for the Lake Conference cellar, next moved into Richfield. After winning its opener against Mound, Richfield was looking for another impressive win before they took on Robinsdale. They could do nothing but impress as they annihilated the Trojans to the tune of 68 to 0. Using the services of three outstanding quarterbacks and emptying the bench, the Spartans came within two points of equaling the conference total points record.

Richfield spread the scoring among its backs when Mike Sadek, Tom Langseth, Pat Elliot, Rick Rosen, Dick Metz, Scott Forsberg, Jerry Peterson, and Dean Lambert each tallied. Mike Palmquist, Dave Miller, Kip Myre, and Chuck Birch all turned in fine performances to contribute to the shellacking.

Impressed by the balanced scoring and remarkable performance of the defensive unit, Coaches Collison and Ward anticipated a good season for their promising outfit.

Rick Rosen shows his heels to a Wayzata defender.

RICHFIELD 20 ROBINSDALE 13

On September 20, Richfield took the field before over 10,000 spectators. Robinsdale's highly rated and always strong unit was to be the first major test for the Spartans. With outstanding play by both the offense and defense, Richfield jumped to a 20 to 0 halftime lead. Taking advantage of a Robinsdale fumble, the Spartans capitalized with Pat Elliot going over. In the second quarter, Mike Sadek found Al Payne and Tom Gersey, who ran past the secondary, for two more Richfield scores. In the second half the Spartans played a cautious type of football which led to a pair of fourth quarter Robinsdale scores.

Although the 20 to 13 score was close, most observers agreed that the Richfield eleven clearly outclassed their previqusly undefeated rivals. It was from this game that Richfield emerged as a conference and state power which even the most pessimistic person could not help but note.

RICHFIELD 41 MINNETONKA 12

This week, the Spartans defeated a keyed-up Minnetonka team in one of the less impressive contests of the season.

It looked like a tough contest as 'Tonka marched all the way to the Richfield 8 before Bob Goldstrand picked up a fumble and raced 85 yards to score. From then on, the game was never in doubt. Kip Myre scored three times, Pat Elliot once, and Al Payne once. The Skippers scored their last touchdown against the reserves, and the final score read 41 to 12.

Richfield outclassed a rugged Hopkins team, scoring the first time they got their hands on the ball. The Warriors fumbled on their own 14 and Richfield recovered midway in the second quarter. Sadek found Elliot to cash in for the second touchdown.

In the second half, Mike Palmquist proved to be a tireless performer, continually crashing through the Warrior line to get Richfield into another scoring position. Myre then took a pitch to his right and went in for the third tally.

With a minute of playing time left, the victory was completely established with a 10 yard aerial from Sadek to Myre. Giving a fine performance, halfback Myre left the game with 52 season points total in individual scoring.

RICHFIELD 46 SIOUX FALLS 7

The nationally regarded Sioux Falls Warriors crawled off the field after suffering a 46 to 7 defeat at the hands of a Homecoming minded Spartan Squad. An alert defense and explosive offense effectively contained the Warriors in one of the most exciting games of the season.

Spartan scores were tallied by Kip Myre (3), Dick Metz (2), Tom Gersey and Dave Miller.

With the winning of this game, Richfield had handed Sioux Falls Washington its first defeat ever at the hands of a Minnesota team. The victory salted away, the squad optimistically looked to the south for its next encounter, Bloomington.

RICHFIELD 32 BLOOMINGTON 7

The rising Spartans hosted Bloomington next as school spirit reached a fever pitch. The Bears have always been formidable opponents but were forced to punt early and the Richfield machine rolled to the enemy 6 where Pat Elliot darted in to score. Soon after, the Spartans recovered a fumble but there the game stalled. After a punt, Myre and Elliot brought the ball to the Bear 15 yard line and three plays later, Myre tallied.

Following the half, Richfield had rambled 65 yards in 12 plays when a Sadek pass found Elliot on the Bloomington 10 and the speedy junior raced in. Later, with the Spartans on their own 3, Mike Palmquist blasted off tackle in an electrifying 65 yard run. Several plays later, it was sturdy Pat Elliot diving for a spectacular touchdown catch. The final touchdown was registered when understudy quarterback Dean Lambert hit Jerry Peterson with a pass from 10 yards out.

RICHFIELD 14 EDINA 12

With the Edina encounter, the Spartans remained undefeated and clinched their second championship in three years.

The first time they got the ball, Richfield marched from their own 33 to score. The touchdown came on a two yard plunge by fullback Mike Palmquist, after a ten yard run by quarterback Mike Sadek. A pass from Sadek to Myre was good for the extra point and Richfield led 7 to 0.

In the second half, Edina scored on a recovered Richfield fumble. The try for the extra point was no good as Richfield maintained the lead 7 to 6. Richfield's final touchdown came after linebacker Joe Becker recovered an Edina fumble on the 4. Sadek scored two plays later and added the extra point to make it 14 to 6. Edina's final touchdown came on a 96 yard pass play. Since the extra point was missed, 14 to 12 proved to be the final margin.

RICHFIELD 12 SAINT LOUIS PARK 0

The Park game proved to be the final step in the Spartan's climb to the mythical state championship as well as assuring them of their first undefeated football season. The first stages of the game proved unsuccessful for both clubs since neither team could mount an offensive. Pat Elliot ended the first half with a 22 yard scoring run following a Chuck Birch interception.

Park opened the second half by marching to the Richfield 7. At this point, a great individual effort by Rick Rosen prevented what could have been the equalizer. The final score was tallied by Birch as he galloped 62 yards with yet another intercepted pass.

In the past the cross country team has hidden behind the achievements of the Spartan football squad. This year, however, the Harriers broke into prominence after placing 2nd in the District Meet, tying Park for the Region V title, and finishing 8th in the State Meet.

The quality of the sport has increased in past years, but Richfield's improvement has been phenomenal. In contrast to last year, our runners competed against the top rated teams and ended the season with a 9 and 4 record. Richfield also ran in the Duluth Swain meet, finishing 6th. In further contrast, 6 boys ran the 1.8 mile course in less than 9:20, while only two did previously. Much of the credit for this year's success can go to coaches Halgren and Nornes, for their splendid direction, and to the spectators and cheerleaders, who gave the boys an added incentive for running.

The Region Meet saw the over-all best display of times, with Jim Yurich setting a new record of 8:40. Next year with two outstanding sophomores, Doug Edmonson and Jeff Christianson, returning, the Spartans can look forward to another successful season.

As this year's basketball season approached, speculation on the team was wide and varied. "The squad lacks height," stated some observers, "But they're quick and deceptive," answered others. The only sure way to find out was to wait out the schedule of games.

The Spartans first traveled to Austin where they saw the first of many heart-breaking defeats. Following that opener, they lost six in a row before crushing Wazata, 70-55. Later they downed Minnetonka, 76-63; Wayzata, 68-47; and St. Louis Park, 76-65 to finish with a 4 win 12 loss conference record. It is interesting to note five games were lost by margins of two points, but the majority of contests were decided in the first half by teams whose height, experience and teamsmanship gave them a better advantage.

Captain Chuck Birch was named All Conference and finished ninth in Lake scoring. His support came largely from Tom Langseth, Tom Lang, Mike Sadek, Barry and Bob Bishop, and Dennis Bengston. To many the year was a dismal failure but Coach Crosby saw, in his first year as head coach, a team that fought well despite the ridicule and lack of support their school and community gave them.

The season ended with a defeat at the hands of Bloomington in the third round of District 18 competition.

HOCKEY

For the third straight year, the Gene Olive coached Icemen highlighted a prosperous season by gaining entrance into the State Tournament. Blitzing through the regular schedule with a 14-1-1 record, they faltered near the end of the season by dropping a decision to the eventual Lake Champion, Edina. Richfield did finish second however, extending its three year conference record to 42-2-3. The reason for this record was a goalie whose skill became noted in the State Tourney, several individuals who gave the offense snap and efficiency, and a defense which has been yearly recognized as one of the strongest around.

Last year the appeal of hockey drew spectators in record numbers, while this year even more discovered the sport and became avid enthusiasts almost immediately. These fans turned out in vast numbers for the Region 6 Tournament only to see the Spartans upset in the finals, 4-2 by an inspired Bloomington squad. Obviously aroused from this point on, Richfield entered the Region 1 Tournament to down Southwest, to whom they had lost earlier, 2-1. Dick Metz scored first with Len Doerfler firing in the winning goal. In the finals, Metz slapped in a rebound for the only score of the game to finish White Bear; in so doing, Richfield captured the Region 1 title thus gaining its State entry as it had two years before.

RICHFIELD 7 ROSEAU 2

Richfield evened a year old score by trouncing the team which beat it in the first round of tourney action a year ago. Entering the game and tournament as underdogs, the Spartans were quick to show they meant business with Mike Burg hitting twice in a great individual display and Metz and Doerfler scoring two also. Tom Daniel tallied first for the Red and White to set the atmosphere for one of the startling upsets of the 1964 tournament.

INTERNATIONAL FALLS 3 RICHFIELD 2

Next, Richfield faced powerful International Falls in the semi-finals with hopes for another upset. The Broncos clearly outskated Richfield in the first two periods but were held to one score, due largely to the efforts of goalie Kip Myre. During a memorable second period, the talented senior was bombarded by 15 shots, many of which were near certain goals, but the padded star was unbelievably stingy with scores by turning in the high individual performance of the entire series. Richfield began to skate with enthusiasm following the second Falls goal. At 5:58 of that period Bloomgren scored only to see the revived hopes dwindle with a third score by the Broncos. With only minutes left the Spartans set a furious pace but were not equal to the task. Dick Metz did score with seconds remaining, but time ran out shortly after.

HENRY 3 RICHFIELD 1

Too many games in too few days was the story as Richfield dropped the third place title to Minneapolis Henry. The best of the Mill city came on the ice determined to reinstate what was left of their reputation after losing to St. Paul Johnson earlier. The lone Spartan score came from Barry McGovern in the third period when hopes for a comeback were seeping away. Coach Olive summed it up, "They had the heart but not the legs against Henry."

Head wrestling coach, Arch Ward, summed up the season well when he said, "This was a very fast and interesting season. I was quite satisfied with the year, especially considering our young team."

The season was made interesting by the schedule of strong Lake Conference and outstate teams. The most formidable opposition came from such teams as Robbinsdale, Northfield, Hopkins, Minnetonka, and St. Louis Park. Mixing some good and bad meets, Richfield ended with a 4 and 4 conference record while accumulating 7 wins and 5 losses, over-all. Probably one of the most exciting meets took place when Robbinsdale, the number two ranked team in the state, invaded Richfield. Although it was a losing effort, the Spartans came through with some impressive match victories and gained the respect of the heavily favored Robins.

In post-season competition, the 12 man squad entered the District 18 tourney with Co-Captains Dick Pacholke and Bruce Etter, Mike Evans, Tom Chrest, Howie Chatterton and Dale Mahnke advancing to the regionals. In that tournament, all were eliminated except Dick Pacholke who went on to represent the Spartans in the State Meet in Mankato.

The team's most impressive record was recorded by junior, Mike Maxson who finished with nine wins and three losses. Other high finishers were the two Co-Captains, Mike Evans, Howie Chatterton and sophomore Chris Katayama. With but five varsity performers leaving the squad, coaches Ward, Malmer and Grandprey are expecting great things from next year.

Arch Ward and Mr. Malmer watch the action along the coaching lines.

The 1963-64 Ski team had a serious problem this year when the weatherman was rather stingy and refused to provide enough of the essential ingredient—snow. This did not entirely prevent the team however, from exhibiting their skills throughout the season and traveling to the State ski meet in Duluth.

In regular conference competition, the squad under coach Rudy Martignacco, won four meets and dropped two. In the conference finale later, they placed third as a team. To climax the season, nine boys headed to the State meet. Competing in the slalom competition were Eric Eidsmo, Dana Ryan and Steve Zimmerman; on the jumps, Greg Tonozzi, Steve Jedlund and Ken Dobson; and in cross country, George Rounds, Doug Edmonson and Gary Heinrich. Out of the 32 teams entered, Richfield finished ninth overall. The cross country team enjoyed the best success in placing third. With five seniors on the team graduating, the Spartans can look forward to next year hopefully.

Sandi:
I hope youve
had as good a time,
this year as I have; and
as much fun in the next 73 years as I plan to have. While
we don't go around with the same
people you have to admit that we
don't bark at each other like
Patches and Timmy. With
Best Wishes
